Era Whiteboard

Welcome to Era, where blank space
feels anything but empty

era
whiteboard

The whiteboard:
reimagined

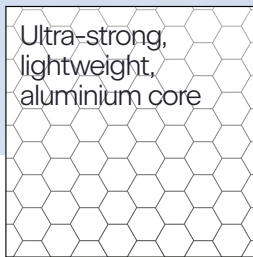

An inspirational blend of form, function and innovation. Era is the whiteboard redefined for today's workspace.

Era changes the game with a frameless, flip-ready design that delivers premium style, intelligent engineering, and everyday practicality.

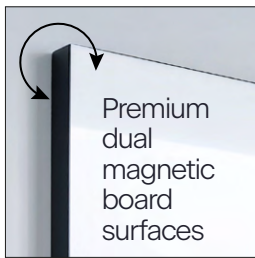

Perfect for spaces where presentation matters and performance is non-negotiable. Innovative magnetic wall fixings allow the board to lift effortlessly from the wall, blending functionality with a sleek, modern design.

Frameless contemporary black edging

Ultra-strong, lightweight, aluminium core

Premium dual magnetic board surfaces

Integrated pen tray

Features

- Sleek frameless design with contemporary black edging
- Lightweight yet ultra-strong aluminium core for durability
- Dual-sided premium magnetic writing surfaces
- Integrated pen tray
- Hidden magnetic fixings for ease of turning the board
